DRINKS

COCKTAILS – all £7.95

Pornstar martini – the ultimate passion fruit martini with a shot of prosecco on the side – still a firm favorite with the girls and boys alike

Strawberry Mojito – shout if you just want the plain mojito, but this one has the strawberry goodness to compliment the fresh mint, lime and Havana rum

Shiso Fine – Tarquin's strawberry & lime gin, fresh lemon, strawberry puree, topped with elderflower lemonade. Seriously healthy!

Summer Sin – Stolichnaya citrus vodka, lychee, passion fruit, then topped with prosecco. Very naughty....

Long Island Spiced Tea – A gentle twist on the classic. Gin, vodka, Cointreau, tequila, lime and spiced rum. Shaken furiously, and topped with cola

Apple & elderflower vodka Collins – Fresh lemon, vanilla vodka, elderflower, topped with cloudy apple juice. Served long on ice.

Mixed berry Bramble – Tarquin's blackberry gin, Chambord, pomegranate presse and lemon juice. Shaken with mixed berries for that 'gin fix.'

Berry White Sling – Tarquin's gin, Sloe gin, mixed berries, lemon, rhubarb and apple. A far-fetched classic from Raffles in Singapore!

Espresso Martini – Stolichnaya vanilla vodka, Kahlua, Baileys, and a double shot of espresso. For that perfect wake-me-up
